USE OF PRICE LIST BY NONPROFIT ORGANIZATIONS. Pursuant to Section 103D-804, Hawaii Revised Statutes (HRS), nonprofit organizations with current purchase of service contract(s) (Chapter 103F, HRS) have been invited to participate in the State Procurement Office's (SPO) price lists.

If a nonprofit organization (hereinafter called "nonprofit") wishes to purchase from a SPO price list, the nonprofit must obtain approval from each price list vendor, i.e., participation must be mutually agreed upon. A price list vendor may choose to deny participation by a nonprofit. Provided, however, if a nonprofit and price list vendor mutually agree to this arrangement, it is understood that the nonprofit will retain its right to purchase from other than a price list vendor.

UNIT PRICES include delivery to destination and all other costs EXCEPT the State General Excise Tax, currently 4%. Agencies are advised to add tax amount to their purchase order total.

PURCHASE ORDERS shall be issued on an as needed basis during the price list period. It is the responsibility of each agency to insure timely issuance of purchase orders. Vendor is not obliged to accept any order received after the price list expiration date; however, shall fill timely orders for which delivery may extend beyond the expiration date. Do not issue purchase orders specifying delivery after the price list expiration date.

PURCHASING CARD (pCard). Agencies of the Executive branch, with the exception of the Department of Education and Office of Hawaiian Affairs, shall use the State’s purchasing card (pCard) for orders totaling less than \$2500. If vendor requires hardcopy confirmation of a transaction made by pCard, agency may use SPO-10B, pCard Order Form, available on the SPO website: www.spo.hawaii.gov; click on “Forms for State Agencies” under Quick Links.

For purchases \$2500 or more, agencies may use the pCard, subject to its credit limit, or issue a purchase order.

If the agency is satisfied with the “standard” color listed on the price list, list the standard color on the purchase order. Be advised that if the purchase order does not list color selection, the vendor will order the product in the “standard” color.

If the agency wants to order a color other than that listed on the price list, agency must contact the vendor for the color manufacturer’s color chart. Further, order of non-standard colors may not be delivered in the same “number of days allowed for delivery.”

- **For desk orders, indicate if pedestal or return to be on either the right or left side of desk.**
- **For file orders, indicate if hanging file folder frames are preferred.**

For multiple delivery locations, each delivery location shall be specified, and if necessary, attach a separate listing to the purchase order.

Where applicable, agency shall indicate if delivery location is on the 2nd or higher floor, and if elevator services are available for delivery.

Agencies are advised that delay in product delivery may result from failure to provide vendor the above information. If delay in delivery is the result of this, liquidated damages shall not be assessed.

NUMBER OF DAYS ALLOWED FOR DELIVERY shall be as follows:

•**PRODUCT ORDERED IN PRICE LIST "STANDARD" COLOR**: Maximum of 75 calendar days from date of receipt of purchase order by the vendor. *Standard color must be indicated on the purchase order at the time of submittal.

•**PRODUCT ORDERED IN OTHER THAN "STANDARD" COLOR**: Maximum of 90 calendar days from date of receipt of purchase order by the vendor. *Color selection must be indicated on the purchase order at the time of submittal.

***NOTE:** Be advised that *if the purchase order does not list color selection, the vendor will order the product in the "standard" color.* If the agency wants to order a color other than that listed on the price list, agency must contact the vendor for the manufacturer's color chart. It shall not be the vendor's responsibility to contact the ordering agency for color selection.

•**PRODUCT ORDERED IN PRICE LIST AS "QUICK SHIP"**: Maximum of half the time of above delivery schedule from date of receipt of purchase order by the vendor. If an item is ordered with a standard color on quick ship, maximum days allowed is 38. If an item is ordered with an other than standard color, maximum days allowed is 45.

ORDER ACKNOWLEDGEMENT to be provided to agency with status of delivery within seven (7) days from receipt of purchase order or color selection, whichever is later.

It shall be the vendor's responsibility to maintain a reliable system of tracking receipt dates for purchase orders. Should discrepancies arise, vendor shall be required to produce reliable documentation of receipt and dates.

RESTOCKING FEE AND CANCELLATION PENALTY. Vendor may assess a manufacturer's re-stocking fee and a penalty for cancellation, as appropriate, under the following conditions:

Re-stocking fee: 10% (applied on a per item basis) for products ordered but cancelled by the agency, subject to the following conditions:

- Re-stocking charge can only be applied on cancelled items.
- Notification of cancellation is received prior to item being shipped.

Cancellation penalty:

D&D Furniture, Fisher Hawaii, and HOPACO will apply 35% (applied on a per item basis) for items listed on a purchase order, shipped and received in Hawaii.

STORAGE CHARGES. Vendor shall retain the responsibility for furniture listed on the purchase order during such time as the furniture is delivered, installed and accepted by the agency. In the event that the agency is not able to accept goods as scheduled, the vendor shall be responsible for all storage arrangements and all storage charges for a period of two (2) weeks only.

Beyond the two week period, vendor may assess the agency storage charges, provided the vendor notifies the State at least ten (10) working days prior to the date the expenses are to be incurred and the vendor obtains prior approval of storage charges incurred.

DELIVERY. Vendor shall contact the agency at least two (2) working days prior to delivery for specific instructions. Products shall not be delivered without prior notice.

LIQUIDATED DAMAGES. If the vendor does not deliver within the time allowed, the agency may apply liquidated damages in accordance with the Table below based on individual items not delivered within the time allowed. Liquidated damages shall not apply to the cost of items delivered on a timely basis.

<u>Amount of Purchase Order/Item(s)</u>	<u>Liquidated Damages</u>
Under \$100	\$ 5.00
\$100 up to \$199.99	6.00
\$200 up to \$299.99	7.00
\$300 up to \$399.99	8.00
\$400 and up	9.00

Liquidated damages are calculated by multiplying the number of calendar days the vendor is late in delivery by the appropriate amount from the Table above. (Liquidated damages shall be assessed to the total amount of the order if all items on the order are delinquent or to the subtotal amount of the delinquent item(s) if partial delivery was made late). The calculated amount is then deducted from the invoice.

Example: Purchase order is issued covering the items below:

1.	2 Chairs @\$100 each =	\$200.00
2.	1 Desk =	<u>195.00</u>
		\$395.00
	4% GET* =	<u>15.80</u>
	P.O. Total =	\$410.80

- Vendor was 10 days late in delivery of all items under the purchase order. Liquidated damages (LD) are calculated as follows:

$$10 \text{ days} \times \$8.00 \text{ (Table above*)} = \$80.00 \text{ (LD)}$$

- Vendor was 10 days late in delivery of Item 1 (Chairs). Liquidated damages are applied only to Item 1.

$$10 \text{ days} \times \$7.00 \text{ (Table above*)} = \$70.00 \text{ (LD)}$$

*Do not include the 4% State GET when calculating the liquidated damages.

Liquidated damages **shall not apply** to the following situations:

Through no fault of its own, the vendor received damaged goods from the manufacturer, included but not limited to freight damages, manufacturing damage, etc.

In this case, the vendor may offer the agency a loaner, at no additional charge to the State, until a replacement is delivered. However, if the agency refuses the loaner, the vendor shall be given sixty (60) calendar days to deliver the item(s) ordered. If a loaner is not offered, the vendor shall have sixty (60) calendar days to replace the damaged good(s) with an acceptable item.

The agency is not able to accept goods as scheduled by the purchase order.

In this case the vendor may assess the agency a percentage penalty storage charge for items listed on purchase order. See STORAGE CHARGES above.

CONDITION OF FURNITURE shall be free of damages when delivered. Each agency should check the equipment received to ensure that the product is in good condition without major defects or damages. All furniture will be delivered to the agency as written on the purchase order.

INSCRIPTION to be provided on each item with manufacturer name, date item was manufactured, name and telephone number to call for warranty claims throughout the warranty period.

VENDOR AND PRODUCT EVALUATION form, SPO-12 made available to the agencies for the purpose of addressing concerns on this price list. The form can be accessed from the SPO website: www.spo.hawaii.gov. "Click" on Forms for State Agencies in the "Quick Links."
